Muhammad (P.B.U.H). Director Campus, HODs, Faculty members and students attended the event with devotion and fervor to express their unflinching love and respect towards the beloved Prophet (P.B.U.H).

Marketing Campaign

BBA 7th semester at FURC organized marketing campaign, dated November 28, 2019. During this activity, students

learned to plan, organize, lead and develop marketing strategies. The whole activity was evaluated by the marketing experts and feedback was provided to students.

Clean and Green Pakistan

As an afforestation initiative, Clean and Green Pakistan activity was organized by BSMS 6th Semester under the supervision of Ms. Ummul Baneen and Ms. Sehrish Jamil from Arts and Media Department on November 29, 2019. Brig Dr. Abdul Ghafoor, Pro-Rector/ Director FURC, Prof Dr. Fazal Rahim Khan, HoD Arts, and Media and Col Muhammad Alam, Manager Student Affairs FURC planted a tree at Sir Syed Block.

Human Rights Reel Film Festival

150 students from FURC participated in Human Rights Reel Film Festival organized by the United Nations in Pakistan from December 1-10, 2019. The students watched 10 films

on the subject of human rights and shared their reviews through multimedia stories for the social media pages of the UN HR REEL Festival.

External Assessment

The External Assessment of MS and Ph.D Computer Science Programs of FUI was carried out by Prof. Dr. Faisal Shafait, Associate Professor, NUST along with Assessment Team under arrangements of Department of Quality Assurance on December 31, 2019 at FURC. The Self-Assessment Report was prepared by Mr. Umar Mahmud, Assistant Professor, Department of Software Engineering with the help of colleagues under the guidance of QA. The Assessment Team reviewed the SARs based on 8 criterions and 31 standards

defined in QA manual of HEC, interacted with MS and Ph.D Faculty and Scholars and visited the research and academic facilities. At the end, the External Expert highlighted the strengths of the program and shared some ideas for improvement of MS and Ph.D programs.

Financial-Economic Analyst

Dr. Muhammad Awais, Assistant Professor, Faculty of Management Sciences, FURC was invited to participate in a program titled "Current Affairs Special" on PTV-News on June 28, 2019. The main theme of the program was to discuss various issues regarding the budget 2019-2020, amnesty scheme and tax policies. Mr. Awais gave his opinion on all these issues as Financial-Economic Analyst.

FUI ACHIEVEMENTS

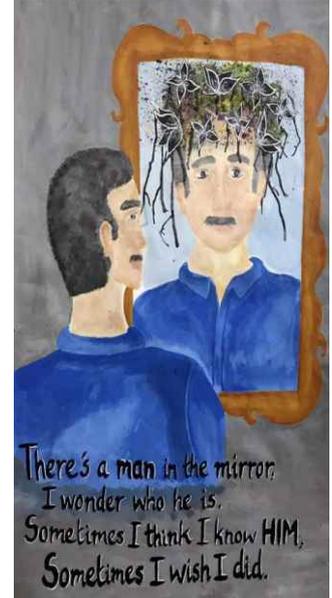

Dr. Seyyedha Abbas, Professor of Biochemistry and an accomplished Medical Educationist represented FUMC at the Annual Conference of Association for Medical Education in Europe which was held from August 24-28, 2019, at Vienna, Austria. Prof Seyyedha presented her research work titled Comparison of Performance among Graduating Doctors

Trained in Traditional & Integrated Curriculum at FUMC.

Allama Iqbal Open University, Islamabad celebrated Jashan e Youm e Pakistan on August 27, 2019. Mr. Syed Anees Raza student of BSMD semester –IV participated in Urdu Debate Competition and secured the first position among 27 universities. The topic of the debate was Quaid-e-Azam ka Pakistan Kahan Kho Gaya Hai.

Pakistan Institute of Living and Learning in collaboration with the University of Manchester and Global Brain Health Institute organized a poster competition on the issue of Dementia in South Asia (2019). Two students of Psychology Department Zara Azhar and Iqra Naseer secured third and fourth positions respectively.

Sports

FURC Table Tennis Matches

Table Tennis Warm-up Matches (Single) organized by Sports Society were held on October 03, 2019, at FURC for both male and female students. 8 Students from different departments participated. The final was played between Mr. Bilal Ahmad BCSE- 3 and Mr. Ahmad Shaukat BCSE-8. Mr. Ahmad Shaukat won finishing the match in consecutive 2 sets.

HEC Trials for Selection in National Games 2019

HEC trials for the selection of players for the final of National Games 2019 were held at Islamic International University Islamabad on October 14, 2019. Ms. Tehreem Siddique BSMD-IV and Ms. Mishaal Azam BS Psychology-VII from FURC participated in the trials of Table Tennis Singles. Ms. Mishaal Azam was ranked 1st in the HEC team as the best player losing not a single match.

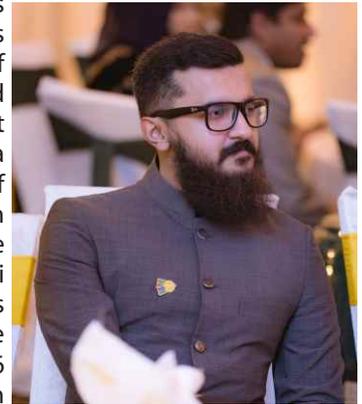

ALUMNI SUCCESS STORIES

Shayhaq Baloch is an independent filmmaker from Balochistan. He studied Media Sciences at FURC from 2014 till 2018. Shehak Baloch has won an award for his short film Web Warriors in November 2019. His film was nominated in the following 4 International film festivals:

1. International Moving Film Festival (Iran) selected as a finalist
2. Rojava Film Festival (Kurdistan)
3. Lift-Off Film Festival (UK)
4. Wow Film Festival (Tunisia)

Berlin Festival of Lights World Championships was based on the lights of freedom. Muhammad Nabi Pasha Department of Arts and Media Sciences was the part of the Artec core team in November, 2019. He represented Pakistani traditional truck art. His work was praised and he got 2nd position among 6 competitors from Pakistan in the Berlin Festival of Lights World Championships 2019.

COMMUNITY SERVICE

Social Responsibility

Final year students of the Business Administration Department under the banner of social responsibility performed various activities from February 01 to March 15, 2019. Students distributed helmets, water carriers for

women living in villages, medical emergency kits and took part in awareness sessions on road safety, academic counseling and scholarship orientation for the less privileged.

Blood Donation Camp

The Blood Donation Society of FUMC organized a blood donation camp on September 18, 2019. Maj Gen Jawad Khaliq Ansari, HI (M), (Retd) Director FUIC visited the camp and gave donors and participants certificates to acknowledge their participation. The members of the Blood Donation Society were given badges. A total of 150 donations were collected, which were given to FFH blood bank and Pakistan Thalassemia Welfare Society Rawalpindi.

Islamabad Cleft Lip and Palate Association (ICLAPA)

FURC Community Service Club participated in ICLAPA Camp 2019 on September 27, 2019. The volunteer team of students took care of patients and performed the assigned tasks very efficiently. The organizing team of ICLAPA and doctors discussed the areas in which FURC can contribute.

The volunteer team committed to develop the database system to maintain the record of patients and websites for ICLAPA.

Community Services Project for the Underprivileged Children in the Tech School

On October 26 and November 02, 2019 students of BS Psychology displayed their projects of Child Psychology with the mission of community service and empowerment of young impoverished children through education and training in the Tech School of the slum area of Takht Pari.
